INVESTMENT SUMMARY

Investment Property Realty Group (IPRG) is pleased to present the exclusive offering of 21-12 31st Avenue, a prime development opportunity in Astoria, Queens.

This 25' x 114' development site is located between 21st Street and 23rd Street and benefits from R6A zoning, allowing for approx. 8,550 buildable square feet. The property presents the potential to construct up to 12 brand-new residential units, perfect for condominiums or rental apartments.

Situated on a block experiencing significant growth, with multiple new developments nearby, the site is ideally positioned for long-term value. It is also conveniently located within walking distance of the N & W subway lines and the Astoria ferry, providing easy and quick access to Manhattan and beyond.
