****Per DHCR registration history, Unit 1L has been temporarily exempt on the basis of owner occupancy for the entirety of the available records, with no prior established legal regulated rent. Upon initial rental, ownership may therefore be positioned to establish a market ‘first rent,’ which becomes the stabilized base going forward – the unit will remain rent stabilized. This creates an opportunity to renovate and, subject to DOB and zoning approval, potentially duplex the unit and provide private rear-yard access to optimize income.

INVESTMENT SUMMARY

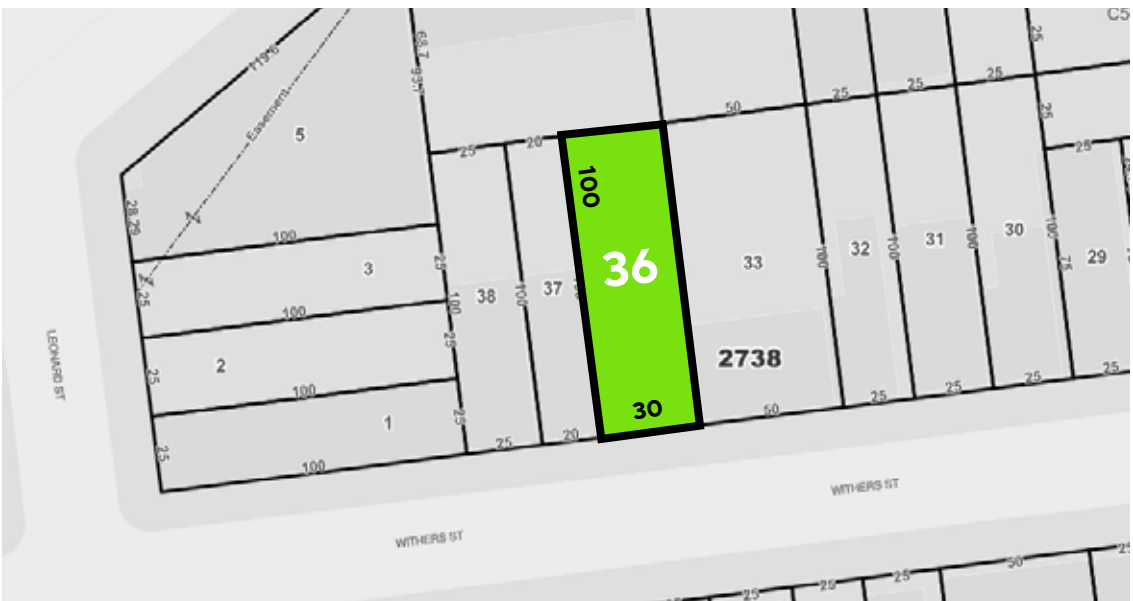

Investment Property Realty Group (IPRG) has been exclusively retained to sell 115 Withers Street, a six-unit multifamily building located mid-block between Leonard Street and Manhattan Avenue in the booming Williamsburg section of Brooklyn. One of the apartments (1L) will be delivered vacant, offering a new owner the rare opportunity to occupy a unit in the building while rental income from the remaining apartments helps offset the mortgage.

This 30-foot-wide building sits on a tree-lined block of Withers Street, just blocks from McCarren Park and the dining, cafés, and bars. The property is a short walk from the L and G trains at the Lorimer Street / Metropolitan Avenue station complex, as well as the B24, B48, and Q59 bus lines.
