

INTRODUCING 40 JACKSON ST

The subject property is an 8,768 SF warehouse strategically positioned just blocks from Route 21 in Passaic. The building is well-maintained and offers excellent connectivity to major regional arteries—including quick access to I-80, I-280, Route 46, and the broader New York metropolitan market. The property offers two loading docks, 14' and 10' ceilings, and a fully accessible basement with ample storage space. This property is ideal for distribution, warehousing, storage, or assembly operations in Passaic County's high-demand industrial market.
